UPPER BODY SHAPES *For the testing of sizes*

Group	1	1.1	

Ref.: S025

Upper body shapes suitable for adults & children*

Principle:

These shapes are a complementary tool in controlling product quality, which enables the design of garments, specifically adapted to suit individual body shapes. They are also designed to find good fitting upper body

garments including the ease with which it fits over the head.

These shapes can be used both in businesses and in laboratories.

Group:

1 Textile – **1.1** Clothing – **1.2** Health – **1.3** Technical – **2** Non woven – **3** Leather
– **4** Thermoplastics – **5** Thermosets/Composites

Designer of measurement benches

SARL au capital variable de 7650 €

Website : www.sodemat.net / Email : contact@sodemat.net
